Terms and Conditions jobs.myScience®

1. Services of Scimetrica Ltd.

Scimetrica guarantees personalized services. Scimetrica employees are available during office hours to answer questions or for technical support.

2. New Postings

Standard job offers are posted by the client directly on the job board. Premium job offers are either sent to one of these email addresses:

contact@myscience.ch/at/be/de/fr/uk

or directly imported from a feed or from the company job board.

Logos and banners are included in adverts for free.

3. Mutual Promotion

If possible myScience promotes customers, by publishing regular press releases and customer research results on myScience. If suitable myScience can set up a dedicated company profile in the directory.

If possible, the client places links to myScience on the institution's website.

If necessary, Scimetrica can offer other services to promote the institution. These additional services will be invoiced, if necessary.

4. Network and Partners

4.1. Partners: Every job offer that is published on jobs.myScience will be published automatically and for free on partners websites and indexed by job search engines.

4.2. myScience® Network consists of all myScience country portals and the international portal (.org).

Every job offer that is published on jobs.myScience will be published for free on myScience international. According to the language, job offers will be published additionally on myScience® Network for free.

5. Extension of the Duration

The term of publication can be extended by 40 days for half of the price (50% discount). An extension can be requested at anytime. After each extension an invoice will be sent.

6. Validity of Credits and Discounts

The validity of credits is not limited: only discounts are subject to a period of validity. The period of validity starts with the publication of the first job offer. If it is not possible to use all credits within one year, remaining credits can be used during the following year. In this case an agreement concerning the past and the following year will be made.

7. Prices and Invoicing

Credits can be payed in advance or after each publication, according to the contract. If credits are not payed in advance, an invoice will be sent to the desired address. Total prices include all taxes. There is no additional tax.

8. Data and Privacy

All data and information exchanged between the client and myScience are kept confidential.

9. Termination

The contract can be terminated at any time. Unless stated otherwise, any refund is not planned.

10. Applicable Law and Jurisdiction

The contract is governed by the Swiss law. The place of jurisdiction is Bern.
